PROGRAMME

Summer 2018

Study Centre

Year 11 to 13, Sat 1.45-9pm

Kelston provides both a stimulating environment for private study and a programme of constructive activities for schoolboys and young people. Over time, members will find they improve in their study, develop new talents and grow in self-esteem, all within a relaxed and friendly environment.

The Kelston Study Centre principally meets on Saturday afternoons and evenings, but members can come for private study and to use the activity rooms at any time of the week. However, Sunday afternoons are also especially set aside for silent private study. There is also a Tuesday Study Club from 4.30pm till 6.45pm.

Smartphones may be kept in the locked charging station during times of study.

Members have drawn up a programme of weekly events, but everything is sufficiently flexible to be spontaneous at the same time. Friends of members and anyone interested in joining should feel free to come along and try the Study Centre out for a month. A modest annual subscription is due after the month's trial period, with sponsorship available so that no

one is excluded due to cost. The high tea meal and Wednesday tea are charged at a modest rate.

With its strong and confident Christian atmosphere, Kelston entrusts its spiritual activities to Opus Dei, a personal prelature of the Catholic Church. Membership of Kelston, though, is open to all on a non-denominational basis. The Study Centre is part of the Netherhall Educational Association, a registered charity (number 236586) that promotes educational initiatives in accordance with Christian principles.
